PRÆSTEGAARD

INSPIRATION

CREATE

NEW EXPERIENCES

IN YOUR SHOP

Create a setting for home entertainment

Place selected products in a setting "like home". A place where sound and picture form a synthesis!

chameleon system

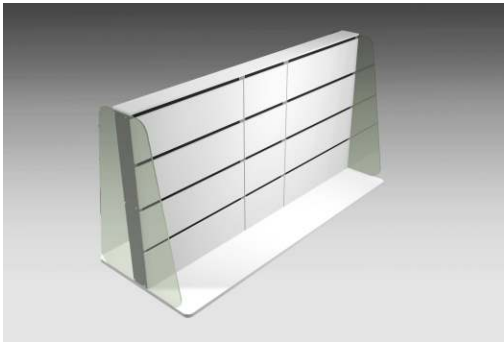

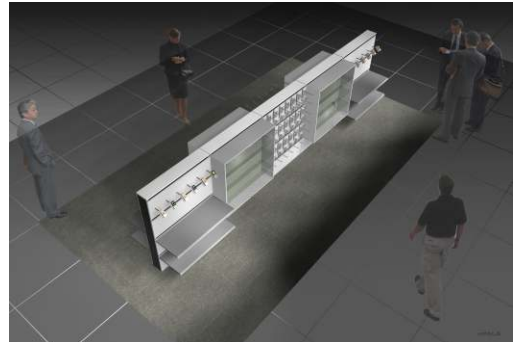

Different trades

There is a wide variety of choices among fittings for different trades. Here Præstegaard shopsystem used for the shoe- and clothing trade.

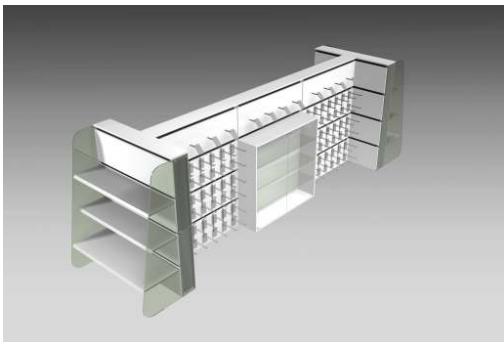

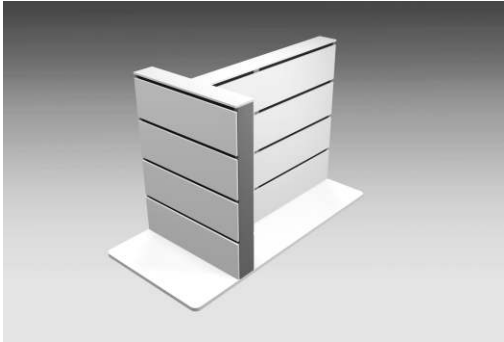

Create a setting for your products

Præstegaard wall unit is now in 4 versions with 4 heights and together with a large selection of end-plates, corner units, corner profiles and plates the only limit is your imagination.

chameleon□system

Shop in shop solutions

Solution for Sony Nordic created in Præstegaard shopsystem mixed with custom-made elements that gives it a certain Sony look.

chameleon system

If you wish to raise a product or a certain suppliers profile Præstegaard shoppystem makes it possible.
